

campers either rededicated themselves to the Lord or were counseled to receive assurance of their salvation.

Because of the nature of children, many more make decisions quietly in their hearts witnessed only by the Holy Spirit, but with an equally eternal impact in their hearts and lives.

We could never have had such an impact on their young hearts without all the godly volunteer staff God provided. 210 adult staff gave of their summer along side the 120 junior staff. 138 more volunteer support staff looked after everything from cooking to cleaning the bathrooms.

Though some camps were stretched in trusting God to the last minute to provide staff, some of our camps had their full staff team well in place before camp began!

We recognize that, though we often focus on the children reached at camp, just as eternally significant are the many staff

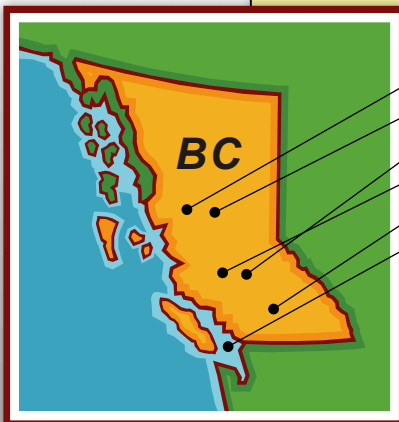

A staff at Ness Lake helps a camper to climb that we equip for service in our camp settings. As God leads, many of these will move on to full-time ministry or at least a lifetime of service in their own churches.

Thank you to each of you who kept our camps covered in prayer. Thank you to each of you who helped pay a camper's way to camp or who supported a summer staff.

Please pray now, that the millions of seeds planted in these young hearts will be kept safe and will grow to full maturity in Christ.

# Jacquie Bolen - Keeping the Amasa Torch Burning

Amasa is our ministry to people with special needs bringing the Word of God to people with both physical and mental challenges. Amasa began in 1983 with a week of camp at Hope Bay Bible Camp.

Over the years it grew, being led by a team of four full time staff, with over 10 weeks of camp a summer, and year round follow up clubs.

Three years ago, the last of the full time directors had to step down, leaving no missionary to keep it going.

In those last four years of full time camps, a young lady, Jacquie Bolen, volunteered at one of the Amasa Camps under the direction of our previous directors Bob and Cheri Ayers. A wife and mother of two teenagers, Jaquie grew in her passion for the ministry of Amasa.

Then, when the Ayers had to step down from full time service, Jaquie gave up her summer holidays to organize and direct one week of Amasa Camp in the

Okanagan area for two summers.

As her passion for this ministry grew, so did her sense of calling and this fall she applied for the position of Director of Amasa Ministry.

She has been accepted both by the Amasa board and our provincial council. Jacquie is already planning club programs during the winter and is eagerly looking forward to the summer of 2010, serving full time with CSSM.

Jaquie lives with her husband Kevin in Salmon Arm. Her son is married and her daughter is just finishing highschool.

We invite you to partner with Jacquie by joining her ministry support team. She needs a strong prayer team and full support to provide for her financial needs. Please contact Jacquie directly if you wish to partner with her. You can call her at (250)832-6907.

# New for the BC Branch

At our BC branch office, we have been without a provincial director for a couple of years now. The BC council has been trying to cover the basics as they seek for a full time man to fill the role.

Roland McQuade

In October of this year, they asked Roland McQuade, director of Adventure Day Camps, to serve as Interim Director for six months. Roland has accepted and is joined by Bob Van Natter who was asked to fill the role of

Assistant to the Director. As they seek to care for our team of 30 BC missionaries, Bob will be focusing on the ministry of pastoral care while Roland focuses on the administrative side of our missionary care services.

Though Bob Van Natter's position is longer term, at present, Roland's role continues until the end of April when he begins to prepare for his summer with Adventure Day Camps.

Bob Van Natter

Please pray for Roland and Bob, that they will have the wisdom they need to effectively serve the missionary team as they seek to reach the children and youth of British Columbia.
